Dear Mr. Brown,

I am enclosing 3 sets of the slides "Assassination in Dallas" as requested. However, I am trusting you to send an additional $7.50. Due to the demand, historical value and limited number on hand, we have increased the price to $7.50 per set of 12 color slides, which is out of line in comparison to slides of the vacation type & can see you can understand and appreciate our position since you are interested in research of the Assassination.

I am very sorry the other pictures you mentioned are not available to the public at this time. If there is sufficient demand I am sure we will make them available, and will be happy to add you name to the list. We will keep in touch. I hope we know the whole truth before the year 2038 — our

youngest daughter, Rosemary, was an eyewitness and was 10 years old at the time. If she takes good care of herself, she may live to know the truth. She will be one of the last (perhaps the last) eyewitnesses to recall the terrible event of November 22, 1963.

Very sincerely yours,

Marilyn Hillis
(Mrs Phil Hillis)

P.S. My husband is away on business and ask that I write this note for him
